

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand provides solutions, services and products to increase the productivity and ensure efficiency within industrial, commercial and residential surroundings. They pride themselves in providing products to enhance the comfort, security, health and safety of individuals all around the globe through their four international segments.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a maker of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting parts support, advanced controls and services used for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions so as to improve productivity, operations and energy efficiency for their customers. The series of products in their line consist of: pumps and tools, and material fluid handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in utility and golf vehicles for companies and individuals.

Trade names like for example Trane and Schlage provide residential solutions that offer safety, efficiency and comfort to home owners around North America. Their innovative products comprise mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies provide products which ensure secure, safe and productive surroundings. This division's market leading products include floor and door closers, exit devices, portable security devices, electronic and biometric access control systems, cabinet hardware, steel doors and frames and locks, decorative hardware and locksets. Schlage also has products that offer personal, time and attendance scheduling systems.
